

FREE WEBINAR

Estate Planning *for* Pets

Plan today for their tomorrow.

What will happen to your pets if you become incapacitated or pass away?

Join us for an informative webinar that explores practical and legal tools to help ensure your beloved pets continue to receive the care they need when you are no longer able to provide it.

Peace of mind
for you.
A secure future
for them.

YOU'LL LEARN HOW:

WILLS

can designate caregivers for your pets.

PET TRUSTS

can provide funding for ongoing care.

DURABLE POWERS OF ATTORNEY

can help ensure your wishes are carried out.

DETAILED CARE INSTRUCTIONS

give future caregivers the information they need to keep your pets healthy and happy.

Creating a plan for your pets provides peace of mind for you and lasting protection for the animals who depend on you.

MEET THE FACILITATOR

Marsha Goetting is a Professor and Extension Family Economics Specialist at Montana State University. During 2025 she presented 62 legacy planning programs with over 5,600 Montanans attending.

Dr. Goetting is a member of the Montana Alzheimer's Coalition. She has been appointed to the Montana Supreme Court Commission on Continuing Legal Education. She received her PhD from Iowa State University and her master's and bachelor's degrees from Kansas State University.

She is author of over 50 MontGuides in the estate/legacy planning area.
